

NATIONAL TERTIARY RETIREMENT FUND

## PENSIONER NEWSLETTER

NOVEMBER 2018

Dear NTRF Pensioner

Here is some important information that we wish to share with you.

### FINANCIAL POSITION OF THE FUND

---

The Board is pleased to report that, despite of a rather turbulent economic environment and the volatile investment markets during the latter part of the year, the Fund remains in a sound financial position to meet the payment of pensioners' monthly pensions. This was confirmed in the recent Actuarial Valuation report.

### NOMINATION OF BENEFICIARIES

---

It is important to note that any amount left in your or your spouse's pension account upon the death of the longest living, **will be paid either to the estate or to the beneficiaries**. Beneficiaries can be traced only through your beneficiary nomination form, so please make sure that information on your beneficiaries is kept up to date throughout your retired life, especially after life changing events.

### CERTIFICATE OF EXISTENCE (COE)

---

It is extremely important that pensioners submit proof of their existence to the Fund once a year. The request to provide such proof will be forwarded to **you during February 2019**. This will ensure that the Fund adheres to sound governance principles and that your monthly pensions will continue to be paid. Please be aware that if a pension payment is suspended because the Fund did not receive your COE, the pension can be reinstated only approximately 10 days after the Fund received such proof.

In view of the ever-changing demands from individuals for more real-time communication and to further enhance the communication process between pensioners and the Fund, **we urge all pensioners to furnish and keep the Fund updated with their e-mail addresses and/or mobile phone numbers**.

This will enable the Fund to update its pensioner administration system with your personal information and avoid the possible suspension of your monthly pension payments. Please note that the following contact details should also be used if you need to report any changes during the year:

Email address : zzNTRFpensions@aforges.co.za  
Fax number : 011 263 0689  
Telephone number : 012 452 7187
